

## Mercury Workgroup Meeting Summary

An agenda showing the time and location of the September 11, 2002, Mercury Workgroup meeting is not available. At this first Mercury Workgroup meeting no minutes were created; therefore, a brief summary of what the meeting was about is provided. Please see below:

### **September 11, 2002 Kick-off Meeting**

Key stakeholder representatives Charlotte Read, Jon Mangles, John Chavez, Bob Johnston and Tim Lohner met to discuss the workplan and to identify additional team members. Shortly after this meeting the second draft of the workplan was completed on September 19, 2002 and the first version of the operating guidelines was completed on September 30, 2002.

The following additional members were identified: John Donnellan (IDEM), Larry Wu (IDEM), Paula Yeager (Public Interest Sector), Kevin Hoge (Private Interest Sector), Eric Fry (Private Interest Sector), Marty Risch (USGS Water Quality Data), David Pfifer (EPA), Morris Beaton (EPA) and Matt Gluckman (EPA).
